

## **Pueblo Ham Club Minutes for July 13, 2009**

Four board members were present for the board meeting.

The minutes were approved for the June meeting as published in the Gridleak.

For the regular club meeting there were 14 members and visitors present. There was no treasurers report because Dave was absent due to illness. The field day was discussed for its successful results. Bill showed two QSL

cards that had been received. We had a good turnout and longer radio time than past

field days with more contacts and points.

The secretary will give a letter to the Pueblo Parks and Rec. department to reserve August 15th

for our annual Corn Feed party. Stan volunteered to coordinate the equipment for the party.

A nominating committee was established for the election of officers for next year.

The committee consists of Stan Clark, Gene Vaerewyck, Bill Nicoll, and Jon Fredericks. If you

would like to be considered for an officers position please contact one of the so we

can get the appropriate list of interested people in the Gridleak in a timely manner.

Submitted by Stanley Clark, Secretary, July 14th, 2009
