

Pueblo Ham Club Minutes for June 8, 2009

Board Meeting Minutes

The board discussed the experiences from the Special Event at Bents Fort and what we wanted to do for field day. It was voted to rent a porta potty for field day. Everyone should bring a covered dish or something to share for the potluck lunch and the club will supply hamburgers, hot dogs and drinks. Everyone should also bring their own plates and utensils.

Regular Club Meeting Minutes

The minutes from the previous month were approved as printed in the gridleak. Dave Balsick our treasurer reported a month end balance of \$7952.29. He also reminded us of the prior approved financial commitment to upgrade our repeaters. It was voted to sell the new small club patches for \$2.00 each.

It was voted to spend up to \$600.00 for batteries and any other items needed to upgrade the Rattlesnake Butte repeaters.

A work party is scheduled for June 18th to start the upgrade of Rattlesnake butte. The Field Day plans were also discussed.

Gene Vaerewyck talked about lightning protection in cables using a Lightning Blitz bug. Bill Nicoll gave a demo on his new Buddipole antenna which prompted Dave Balsick to give a lesson on antenna theory and design, Thanks again to Gene for bringing the cookies and coffee.

Minutes submitted by Stanley Clark WB0JRG secretary.
