There was no regular board meeting this month.

The Monthly PHC meeting started at 7 PM with President Bill Nicoll officiating. The new club hats and shirts are in. If you did not pick up your order please contact Bill Nicoll to make arrangement to pick them up and pay for them. They will also be available at the next monthly meeting.

The Minutes of April were approved with the correction of the State convention date which is May 29th in Estes Park.

June 6th will be our special event at Bents Fort. The Google directions in last months Gridleak were off. Just go to La Junta and follow the signs, it is well posted. We are scheduled to be there from 8 AM to about 8 PM. Bring your own food and drinks and chairs. Shelters, tables and radios have been planned. However we encourage any additional equipment you want to demo. This is a great opportunity for the public to see the potential of our hobby.

June 8th, 2009 Board meeting at 6:30 followed by regular meeting at 7 PM at the library.

June 27th and 28th is Field Day at the Westminster Church in the Sunset Housing area.

Treasurers Report: Dave reported a balance of \$6997.02. This will be increased next month as members pay for their caps, shirts and dues. The treasurer's report was approved.

July 18th is the Megafest swap meet in Monument. We need help manning the tables while we sell off our items that have been donated to the club. This extra funds will help pay for new repeater equipment.

The repeater chairman is planning on trips this summer to upgrade all of our repeaters with new controllers, antennas and cables.
