

## Pueblo Ham Club Minutes for 9-14-09

### Board Meeting notes

Our Holiday Party will be on November 21st from 6 to about 8PM at the Country Buffet.  
A discussion on how to help and encourage the new Pueblo West Ham club was talked about.

### Regular Club Meeting

The Secretary's Minutes for the previous month were read and approved.  
The trip to Rattlesnake butte was talked about. Antennas and cables were upgraded and a new 900 Mhz antenna to link the repeaters was installed.  
The road was improved to make it easier to drive up the hill.  
We discussed not linking the 115 repeater to allow for local use only without tying up all the repeaters.  
The list of officer candidates as published in the Gridleak was read. Other nominations will be allowed before we vote.  
The website is being updated by Bill Nicholl.  
We tabled the discussion on open use of the club repeater.  
Door prizes were donated by Gene. Thanks Gene.  
The meeting was then closed followed by personal discussions.

Submitted by Stanley Clark, WB0JRG PHC secretary.
